[Despatch Abstract.]

[illegible] - Provincial Legislature -

1948 - [illegible] of Voters - Papers Recorded.

B. Madras Legislative Council:

In the constituencies of the Madras Legislative Council, the net increase is 8,236. The increase in 1941 was 240 and in ~~1911xxxx~~ 1939, 1041.

In 1938, 1939 and 1941 when the rolls of all the constituencies to the Assembly and the Council were revised Press Notes were issued on each such occasion giving the number of voters under the various constituencies and comparing them with the figures for the previous years for the information of the public. No Press Notes were however issued after the partial ~~xxxixxx~~ revision of 1942, and the special revision of 1945. In view of the lapse of time since the elections in early 1946, and the fact that adult suffrage is being introduced for elections, it is doubtful whether the public would be interested in the statistics of existing voters. It therefore seems unnecessary to issue a press note on the subject.
